From: Joshua Bowman, Public Utility Analyst *JB*

CC: Kevin Neilson, Regulatory Policy Administrator

Date: July 7, 2015

Subject: In The Matter Of BCN Telecom, Inc. 2015 FCC USF/ICC Transformation
Order/47 C.F.R §51.911 Interstate Switched Access Rate Benchmarking Courtesy
Notification
(FILED JULY 6, 2015) - PSC DOCKET NO. 15-1095

BCN Telecom, Inc. ("BCN") submitted to the Delaware Public Service Commission ("PSC" or "Commission") a notice of compliance of the Federal Communications Commission's ("FCC") rules.

BCN's filing complies with the rules in Order No. 8695 of PSC Regulation Dockets Nos. 10 & 45 (26 *Del. Admin. C.* §4001). According to 26 *Del. Admin. C.* §4001 - 4.5.1, an applicant shall file proposed initial rates, prices, rules, regulations, terms and conditions of service for switched access services. Any revisions to this tariff must be filed with the Commission. Although BCN is not revising its tariff in Delaware, DE Tariff No. 3, BCN is complying with FCC rules by continuing to set its intrastate originating and terminating rates at parity with the corresponding incumbent local exchange carrier's rates in its operating territory. According to the filing, BCN's Delaware tariff points to its FCC tariff for rates. Therefore, BCN's rates will automatically change in accordance with the FCC requirement when its FCC tariff changes.

Therefore, based on Staff's review, no further action will be taken on this matter unless a formal objection or inquiry is made by any party. These tariff revisions became effective on July 1, 2015.
